**Monthly Bulletin, No. 4.**  
**THE GREFENBERG COMPANY**  
NY hereby announce that they are now incorporated by the Legislature of the State of New York, capital \$100,000, agreeably to the following certificate from the Secretary of State:  
STATE OF NEW YORK, I certify that a Secretary's Office, (certificate of the incorporation of "Grefenberg Company" bearing date the 24th day of February, 1848, was this day filed in this office.  
ARCHD. CAMPBELL, Dep. Sec. of State.  
Albany, Feb. 26, 1848.

This step perfects the organization of the company, placing it amongst the institutions of the day. Among the objects of incorporation were the following:  
1st. That we might the more certainly protect the public against spurious articles which the cupidity of unprincipled men may attempt to introduce under the name of the Grefenberg medicines.  
2d. That the vast amount of business done by the company might be placed under the sanction of legislative enactment, and be thereby stamped with its approbation, securing to the public reliable medicines.  
The time is now near at hand when the diseases of spring and summer will make their appearance. If now the Grefenberg medicine be introduced, thousands of lives will be saved. Medical men who have become acquainted with the merits of these celebrated medicines, are laying in a supply to use in their private practice.  
In BILIOUS REGIONS, especially, they are of inexpressible value. Used according to directions, a person cannot become bilious, no matter how sickly the country or great the exposure. Let the food freely use them, and bilious disorders will disappear from those fair regions.  
The American Grefenberg theory does not presume that one medicine can cure all diseases. It is idle and impudent to flout such a doctrine in the face of an intelligent community. It is the language of quacks and pretenders. But in the series of medicines offered by the Grefenberg Company, EVERY DISEASE will find its antidote. The pills are sovereign in all bilious, stomach, liver, and chronic complaints. As a cathartic, they are perfectly mild, thorough and strengthening. The Fever and Ague Pills unerringly cure Fever and Ague, Dumb Ague, Ague Cakes, and the like. The Health Bitters restore the tone of the system, clear the complexion, cause the monthly secretions of females, &c. The Sarsaparilla is the best in the world, and is so powerfully concentrated that it is ten times cheaper than any other. The Children's Panacea is a most extraordinary nursery medicine and Vermifuge. The Eye Lotion has no equal for all forms of inflammation and weakness of the eyes. The Green Mountain Ointment is the principal ointment now used. The Dysentery Syrup is warranted to cure the worst cases of Bloody Flux, Dysentery, Diarrhoea, Cholera Morbus, Cholera Infantum, &c. The Consumptive Balm is the only unfailing remedy known.  
The General Agent for Missouri, is E. K. WOODWARD, St. Louis, to whom applications for agencies may be addressed.

**EDWARD BARTON, Sec'y.**

**Dr. E. EASTERLY'S**  
**Medicated Strengthening Plaster**  
THIS plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 30 years in treating the various diseases incident to this country. He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c. To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.  
Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.  
For sale, wholesale and retail, at the Medical Depot of Dr. E. Easterly, southeast corner of 3d and Chestnut streets, St. Louis, Mo., and by agents throughout the Western States. [ap25]

**FEVER AND AGUE.**  
Fever, Intermittent & Remittent Fevers, and all the various forms of Bilious diseases, speedily and permanently cured by DR. WATSON'S INDIAN VEGETABLE TONIC.

This valuable medicine was prepared from an extensive practice of several years in a bilious climate in the Western States, and was never known to fail of curing Fever and ague, or any of the above diseases. It is equally effectual for the cure of Liver Complaint, Jaundice, Enlargement of the Spleen, (called Ague Cakes) and the various forms of bilious diseases. These, with the other various affections of such climates, arising from a common miasmatic cause, are only modifications of the same disease, and equally controlled by the same remedy.

Residents of bilious climates, emigrants or persons traveling through infected districts of country, will not only find Dr. Watson's Indian Vegetable Tonic a safe, speedy and effectual cure, but an absolute preventive. Each bottle of medicine is accompanied with a pamphlet on the Causes, Treatment and Cure of Fever and Ague, and other forms of bilious disease, containing much valuable information, and may be had gratis of all authorized agents for the sale of the Tonic. None genuine without the written signature of N. F. Watson, M. D., on every bottle, Inventor and Proprietor.

Dr. E. EASTERLY, sole General Agent for the Western States, south-east corner of 3d and Chestnut streets, St. Louis, Mo. Price \$1 per bottle.

For sale by Messrs. Brown & Dunn, Druggists, agents for Warsaw, Mo.

**DR. WISTAR'S BALSAM OF WILD CHERRY.**

**COUNTERFEITS.**  
The Great Remedy for Consumption of the Lungs, Affections of the Liver, Bronchitis, Asthma, Pain or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all Affections of the Pulmonary organs.

**NATURE'S OWN PRESCRIPTION.**  
A compound balsamic preparation of the Pruss Virginia, or Wild Cherry Bark, combined with the extract of the tar, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicines ever discovered.

We do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hope to suffering humanity, which facts will not warrant.

We ask the attention of the candid to a few considerations. Nature, in every part of her works, has left indelible marks of adaptation and design.

The constitutions of the animals and the vegetables of the torrid are such that they could not endure the cold of the frigid zone—vice versa.

In regard to disease and its cure, the adaptation is no less striking. The moss of Iceland, the wild cherry and pine of all northern latitudes, (the Balsam is a chemical extract of these) have long been celebrated for complaints prevalent only in warm climates. Indeed the most distinguished men have averred that nature furnishes in every country antidotes for its own peculiar diseases.

Consumption, in its confirmed and incipient stages, coughs, asthma, croup, and liver complaint, form by far the most fatal class of diseases known to our land.

Yet even these may be cured by means of the simple yet powerful remedies which are scattered wherever those maladies prevail.

Scarcely a mail arrives from any point in the west, but that brings us news of the most cheering character, which goes still further (if more evidence were necessary) to establish the reputation of this great remedy.

None can be genuine without the names of Henry Wistar, M. D., and Sanford & Park are found upon the wrapper. No medicine called Syrup of Wild Cherry, or Wild Cherry Bitters can be relied upon. They may not benefit, but actually injure the patient.

**DR. WISTAR'S BALSAM OF WILD CHERRY** is the only remedy to which invalids should resort for the cure of pulmonary complaints.

**HENRY BLANKLEY & Co., S. W.** corner of 3d and Chestnut streets, sell the above medicine. Price \$1 per bottle. Sold also by **BROWN & DUNN, Warsaw, B. F. & T. B. WALLACE, Clinton, JAS. A. TUTT & Co. Calhoun, COX & McCLAIN, Osceola, R. J. McELHANEY, Springfield.**

**SMITH'S TONIC SYRUP**  
OR Vegetable Febrifuge,  
A speedy, safe and certain cure for AGUE & FEVER, Chill-fever, Dumb-Ague, Intermittent Fevers, and all the various forms of Bilious diseases.

THE safest and surest remedy ever discovered for the cure of the above named diseases. It not only breaks the chill, but removes the cause from which the disease originates. Its operation is both general and special. While it acts generally upon the whole system, as a most powerful alterative, purifying the fluids, freeing the solids from all morbid secretions, and reinvigorating and bringing up all the vital energies to a standard of permanent health, it at the same time exerts a specific influence upon the liver, digestive organs and lymphatic and glandular systems, exciting them to healthy activity, removing all morbid matter, equalizing the circulation, restoring their proper and necessary secretions, thus accomplishing a complete renovation from disease, and restoration to sound and permanent health.

Those who are suffering with the prostrating AGUE & FEVERS common in the West and South—those whose constitutions have become enfeebled by the use of mercury, quinine, or other violent medicines, should resort at once to the use of this VALUABLE MEDICINE. It has cured and will cure the most obstinate cases.

Travelling with the circulation it pours its healing current through every vein and artery of the human body. The whole animal economy is made to undergo a thorough radical change. Even the mind partakes of the beneficial process, and life, that before appeared one dreary waste, begins again to teem with possessing.

Pamphlets respecting this Valuable Medicine, can be obtained of the Agents gratis.

**War! War! War!!!**

Dr. Sappington put to flight Dr. Bragg—Dr. Bragg alarms the Citadel of "Arrow Rock," without the loss of life or drawing of blood, and takes the enemy captive—Bragg's battery at Bucka Vista not more effective than Bragg's "grope" in Missouri—Treaty of peace looked for when the enemy comes to appreciate his defenceless position.

**MENELAUS**, the Spartan King, waged a war upon the ancient Trojans, to avenge himself upon Priam's son, for capturing and marrying his beautiful daughter, Helen. Mr. Polk undertook to whip nine millions of Mexicans for the glory of the thing—and Dr. Sappington, reputed "author of a book on fevers," father-in-law of Dr. Price, and proprietor of an aque pill, mounts his guns and levels them at Dr. Bragg, because his Indian Queen Vegetable Sugar Coated Pills are sweeping all other pills out of Missouri, Illinois, Iowa, and other Western States, by the prompt and wonderful cures which they effect in all who use them. Dr. Sappington made public the recipe of his pill, and it was instantly counterfeited on all hands, and made of such spurious and worthless drugs, as to bring them into general distrust. Dr. McDowell and other physicians, whose experience had convinced them of the great virtue of Dr. Bragg's Sugar Coated Pills, applied to him to make public his recipe, as an act of benevolence and humanity. Dr. R. replied, through the press, that such a course would not aid the cause of humanity, and cited the general system of counterfeiting which had befallen Dr. Sappington's pill, since the publication of its recipe, as his reason for not complying. Dr. S. alarmed at the fallen condition and sinking popularity of his pill, attempts to save himself by informing the public that Dr. Price puts up his genuine pill, and striving to create the impression that Dr. Bragg is disparaging his pill, while in fact Dr. Br. said nothing against his pill, but spoke only of the numerous counterfeits of it, which are constantly being put up by "Tom, Dick and Harry," out of the poisoned drugs of the shops.

It is too late in the day for Dr. S. to cry persecution, or to try to make his pill equal with Dr. Bragg's. It has lost the confidence of the public, and cannot rise again. And who would say that it should, when the proprietor himself admits its only active ingredient is quinine, and that he extorted from the public, for quinine, \$1.50 for each box of his pills, containing 24 grains of quinine and a little gum myrrh and liquorice ball, the first cost of which is not more than ten cents! We have no sympathy for any one who would draw such heavily upon the pockets of the poor, sick and afflicted, especially where quinine is the only active ingredient, and which, when used too freely, is known to leave the most injurious effects behind.

Dr. Bragg's Tonic or Ague Pill is too well known now all over the Western States, to be effected by Sappington's, or any other quinine pill. It fears no rivalry, but on the other hand, court the severest scrutiny. Here is a letter exactly to the point, lately received from a respectable farmer and miller east of Springfield, Ill. He could not take quinine when sick, it made him crazy. He was expected to die— took Dr. Bragg's Tonic Pills, and was restored to health and a grateful family. Had he been obliged to rely upon the quinine pills of Dr. S., he might now have been in his grave! So much then, for the infinite superiority of Dr. Bragg's pills over any other pill before the public. Let no one fail to read this letter!

**MECHANICSBURG, Ill. Sept. 1, 1847.**  
Dr. BRAGG—Dear Sir: I felt it my duty to inform you that I have lately experienced extraordinary advantage from the use of your celebrated Sugar Coated Tonic Pills, in the cure of a desperate attack of Congestive Chills and Fevers. My physician gave me up in despair, and said I could not live, unless large doses of quinine would change the disease. I could not take the quinine, as its use always caused insanity while taking it. While in this condition, your local agent called to see me to make a trial of your Tonic pills; and after persevering in their use a few days, I found myself, much to the astonishment of my friends, rapidly recovering! They neither caused sickness, nor made my head ache. They are truly a wonderful medicine. I was very arduous, and believe my almost miraculous recovery is the result of their free and persevering use. They are in great demand in this part of the country, and my family will be without them in their house, since they have seen their wonderful effect in my case. Your agent has already sold out the large supply left with him, and now wishes me to obtain enough more of you to last the season out. With heartfelt gratitude, I am yours respectfully,  
**SAMUEL POWERS.**
